

**Repair- it silicone tape** is the *Original* self-fusing silicone insulating & repair wrap.

Originally developed for U.S. Military applications, **Repair- it silicone tape** has been tested and proven in the most extreme conditions and environments. It is the most versatile and easy-to-use quick-fix emergency rescue repair tape available. **Repair- it silicone tape** withstands extremes in temperature, pressure, voltage, moisture, corrosion and contaminants.

Tests show the bonding strength of **Repair- it silicone tape** greatly exceed the Mil-Spec standard and that of competing brands of tape.

### **Repair- it Silicone Tape:**

- **Is Self-Fusing...No Adhesive**
- **Withstands Over 500°F (260°C) of Heat**
- **Remains Flexible to -85°F (-60°C)**
- **Has an Amazing 700 PSI Tensile Strength**
- **Insulates to 8,000 Volts per Unstretched Layer**
- **UL Listed**
- **Stretches 300%**
- **Is Made in the China!**

### **Repair- it Silicone Tape is Versatile!**

Use **Repair- it silicone tape** to insulate electrical connections and make them air and water tight. Makes heat shrink tubing virtually obsolete!

**Repair- it silicone tape** will seal and repair plumbing, vents, ducts, and hoses. It can even choke-off a vehicle's leaking radiator hose!

**Repair- it silicone tape** is great for sports grips and tool handles, wire harnesses, cable wraps, boat & RV hook-ups and so much more.

**Repair- it silicone tape** is available in 25mm and 50mm widths. We currently stock 25mm\*2M

and 25 widths in both 3.5M and 5M length rolls, as well as 5mm wide in 5M length rolls in a variety of colors ready for *immediate shipment*.

Special order widths, thicknesses, colors and lengths are also available.

Keep a roll in your car, on your boat, in your camper or RV, with your motorcycle and in your tool box.

### **The Repair- it Silicone Tape Advantage**

- High Tensile Strength
- High Dielectric Strength
- Advanced Bonding Properties
- ISO 9001:2008 Certification
- 
- 

Repair- it Silicone tape 's strength comes from both its thickness and the advanced bonding characteristics of the **special silicone formula**. Repair- it Silicone tape has about 15% more material/thickness than rival brands making it the most reliable product available!

### **Repair it Silicone Tape**

- Creates an Air-Tight, Water-Tight Seal in seconds!
- Never gets goeey or sticky like old-fashioned electrical tape or duct tape - No messy cleanup!
- Has an incredibly long shelf life!
- Is extremely versatile!
- Resists Acids, Fuels, Oils, Solvents, Salt Water, UV Rays
